

## Do You Match?

Many companies will match their employees' donations. See if you can double your donation now!

### Corporate Matching Funds or Gifts

Many corporations or businesses will match donations to a non-profit organization like Hungary Creek Middle PTSA. That's free money for the PTSA! The corporate website should have a form employee's fill out to apply for and request a matching donation (sometimes called a "matching gift"). If you do not find one on the site, an HR representative should be able to provide you with one.
